

## TRADE EXHIBITION & SPONSORSHIP

The ASSBI / INS Annual Meeting 2004 will feature a number of industry trade displays. This is an excellent opportunity for suppliers in the industry and research laboratories to showcase their products and services. Limited space is available and we suggest you contact the Meeting Managers now to reserve your space option!

The Organising Committee extends an invitation to companies to be associated with this prestigious event through various sponsorship opportunities. A number of sponsorship packages are available ranging from Principal to Session and Event sponsorship. The Meeting Managers are also happy to individually tailor a package to suit your company's marketing requirements.

## SOCIAL PROGRAM

An exciting social program has been developed to complement the Meeting Program and to provide the delegates with the opportunity to interact with their industry colleagues in a relaxed environment.

## PRE & POST MEETING TOURS

Pre and Post Meeting Tours will be specially arranged to enable participants to experience the contrasts of this vast southern continent. Take in the Red Centre, Ayers Rock and Alice Springs, the Kakadu National Park and the Great Barrier Reef with its prolific coral wonderland - only some of the many scenic wonders for you to see!

## HOST CITY BRISBANE, AUSTRALIA

Since playing host to a string of major international events in the '80s, including the 1982 Commonwealth Games and Expo '88, Brisbane has developed into a lively, cosmopolitan city with several interesting districts, a good street cafe scene, a great riverside park, a busy cultural calendar and exciting nightlife.

With a near perfect climate, Brisbane is surrounded by some of the state's major tourist destinations, and there are plenty of options for daytrips before or after the ASSBI / INS Annual Meeting.

## INVITATION

We would like to welcome you to the third joint meeting of the International Neuropsychological Society and the Australian Society for the Study of Brain Impairment. Following the success of our two earlier meetings held in 1991 and 1995, this program promises to be highly stimulating, showcasing excellence in both international and Australian research. We welcome abstracts from any area with a special emphasis on cognition and behaviour in everyday contexts. We would also like to extend a special welcome to our colleagues in the Pacific region.

## ABSTRACT SUBMISSION INFORMATION

The Organising Committee of the ASSBI/INS 2004 Annual Meeting invites you to submit an abstract(s) for consideration as a Poster, Paper or Symposia presentation. Abstracts (250 word maximum) are to be submitted via the following website:

**[www.tourhosts.com.au/neuropsych](http://www.tourhosts.com.au/neuropsych)**

Full instructions and submission guidelines are outlined on the website, including details on topic areas for your submission.

If you are unable to submit your abstract via the website, and require guidelines on hard copy submissions, please contact the Meeting Managers on:  
Email: [neuropsych@tourhosts.com.au](mailto:neuropsych@tourhosts.com.au)  
Telephone: + 61 2 9248 0800

Please note, the deadline for hard copy submissions is 15 October, 2003, two weeks prior to the online submission deadline.

**Notification of acceptance will be made during February 2004.**

There are no limitations on the number of abstract submissions. However, authors are asked to exercise discretion, as submitting multiple abstracts may create scheduling problems.

All accepted abstracts will be published in both the ASSBI/INS 2004 Meeting Program and Abstract Book and the Journal of the International Neuropsychological Society (JINS), in a universal manner, regardless of the presentation format chosen.

Please note: all authors of accepted abstracts are expected to register and pay for the Meeting to ensure their abstract is included in the Program and published in the Journal.

## SCIENTIFIC MEETING PROGRAM

An exciting and extensive scientific program has been developed by the ASSBI / INS Program Committee incorporating a number of distinguished international and Australian keynote speakers. In addition, a number of workshop sessions will run in conjunction with the Meeting Program. Confirmed workshop speakers include: Bryan Kolb, Donald Stuss, Adele Diamond, Raja Parasuraman, Sandy Chapman and Jenni Ogden.

Further program details are available on the website:
